

Civilian Response To An Active Shooter

The Lake Tansi Neighborhood Watch (NW) is happy to announce that the Cumberland County Sheriff's Department, represented by Investigator Bo Kollros, will hold "ALICE training for Lake Tansi. The attendees will surely benefit.

What: Civilian Response To An Active Shooter

<http://WWW.ALICETRAINING.COM>

When: November 8 from 9:00 - 11:00 a.m.

Where: Thunderbird

This description of the ALICE training is from the www.alicetraining.com website. The website also includes articles, including one on the recent Las Vegas tragedy.

ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Training instructor-led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the threat of an aggressive intruder or active shooter event. Whether it is an attack by an individual person or by an international group of professionals intent on conveying a political message through violence, ALICE Training option based tactics have become the accepted response, versus the traditional "lockdown only" approach.

Protection and safety must be the priority in an Active Shooter event or Terrorist Attack. Circumstantial and operational concerns vary in every new situation. ALICE Training provides options and classes that address the unique challenges specific to Police/LE, K-12 Schools, Healthcare Facilities, Higher Education, Businesses, Government, and Houses of Worship.

Investigator Bo Kollros of the Crossville Sheriff's Department added this description:

We will go over a few active shooter events, what has been taught and why our thinking needs to change. We will give practical, common sense advice on what to do and techniques you can use. We will also talk about what to expect when law enforcement arrives.
