

Lake Tansi **FUNd** Tournament 2017

The final **FUNd** Tournament was held on the beautiful weekend of June 24th & 25th. The field of 36 teams enjoyed golf, food, event and door prizes and a very successful raffle. The players were not the only winners of this event. The Lake Tansi community will reap the benefits of the funds raised from this tournament. Over **\$33,000** in net proceeds will be donated to projects ranging from the Recreation Department, Tansi Security, Lake Tansi Golf Course, and additional street lighting along with several other areas still under discussion. The Committee welcomes any suggestions you may have, so please share your ideas.

The **FUNd** Committee wishes to extend its' gratitude and thanks to ALL sponsors, players, staff and employees, Board members, and volunteers sharing in this final event. The success of this effort over the past 17 years has only been possible because of those individuals and the charitable people and businesses throughout our community (in Lake Tansi Village, the City of Crossville and Cumberland County). The Sponsor Board will be on display in the Golf Pavilion and Pro Shop area for a year. Please be sure to support the sponsors who have so generously supported Lake Tansi Village throughout these many years.
